2020 – 2021 WSMTA CHAPTER MUSIC ARTISTRY PROGRAM

PRELIMINARY YOUTUBE PROCEDURES

WSMTA accepts all persons without regard to race, ethnicity, color, religion, sex, gender identity/expression, sexual orientation, national origin, disability, age, or any other basis protected by law.

This is an alternative procedure if online MAP events are required. The pre-recorded format for the YouTube scenario does not provide the students with the live interaction and response that is available in a live format.

- Chapter chairs will schedule their chapter MAP events as they would for any normal season **BUT WITHOUT EXACT TIMES LISTED**. It should be communicated to each teacher the amount of time they will get with their visiting artist.
- Record videos per the provided YouTube guidelines by the specified date per chapter.
- Student schedule (with individual time increments, but not an actual clock time), Evaluation sheets, YouTube links and PDF of the score will be uploaded into a specific Dropbox folder so that VAs can type up comments and teachers can easily access them once they are completed.
- **Each visiting artist MUST be given the students schedule so they know how much time is allotted for each student.**
- The visiting artist will complete the assessment and evaluation sheets within a pre-determined time window.
