2020 – 2021 WSM TA CHAPTER MUSIC ARTISTRY PROGRAM

PRELIMINARY ZOOM PROCEDURES

WSMTA accepts all persons without regard to race, ethnicity, color, religion, sex, gender identity/expression, sexual orientation, national origin, disability, age, or any other basis protected by law.

This is the preferred procedure if online MAP events are required. The live format for a Zoom meeting provides the students with the live interaction and response that is missing in a pre-recorded format.

- Chapter chairs will schedule their chapter MAP events as they would for any normal season
- Student schedule, Evaluation sheets, and PDF of the score will be uploaded into a specific Dropbox folder so that VAs can type up comments and teachers can easily access them once they are completed.
- Each visiting artist will have access to a Pro Zoom account and will make the teacher a co-host. **Teachers will not need a Pro Zoom account.**
- Each teacher will manage a Zoom meeting room for their session
- The teacher will manage the waiting room however they like, whether they want an audience (masterclass style) or have it limited to student, teacher, and visiting artist.
- Students can either go to their teachers' studio to perform or connect from home, depending on the current situation.
